List additional items and prices on the back. Please clearly identify which are consignment items and which are donated items.

To mark consignment items, use colored tags with safety pins or colored circle stickers. Write in ink your consignment number (example #12) along with the price (example \$4). On books, in addition to using a colored circled on the outside with the number and price, write in pencil the same info on the upper right corner on the first inside page.

To mark donated items, use white tags with safety pins or white circle stickers. Write in ink the price (example \$2). On books, in addition to using a colored circled on the outside with the number and price, write in pencil the same info on the upper right corner on the first inside page.
