

Guild UFO Project - January to September 2011 Agreement Contract

I, _____ promise and agree to complete _____ UFOs by
September 19, 2011.

I agree to be supportive of my fellow quilters, and ask for support from my fellow quilters so that we can all realize our promised goals and complete our quilts!

I promise to make this fun, which is easy since I love quilting.

I promise not to complain, grumble or drop out of communication with my fellow quilters. When I need motivation I will ask for it, when someone else needs my support, I will offer it freely.

Alternatively or additionally, I have decided not to complete _____ UFOs and have packaged them with instructions for the Country Store.

I also agree to show each completed project at the September 19th meeting, unless previously donated.
